About the Trust

The Shrewsbury and Telford Hospital NHS Trust (SaTH) is the main provider of acute hospital services for around half a million people in Shropshire, Telford & Wrekin and mid Wales.

Encompassing some of the most picturesque parts of England and Wales, the Trust's catchment stretches from the Cambrian Mountains in the west, to Newport and the fringes of the Black Country in the east. The main towns include: Bridgnorth, Ludlow, Market Drayton, Oswestry, Shrewsbury and Whitchurch (in Shropshire); Newport, Telford and Wellington (in Telford & Wrekin); and Newtown and Welshpool (in Powys) – all beautiful and unique.

Our main service locations are the Princess Royal Hospital (PRH) in Telford and the Royal Shrewsbury Hospital (RSH) in Shrewsbury which are located 20 minutes' drive apart. Together they provide 99% of our activity. Both hospitals provide a wide range of acute hospital services including accident & emergency, outpatients, diagnostics, inpatient medical care and critical care.

We also provide services such as consultant-led outreach clinics at the Wrekin Community Clinic, Telford, the Robert Jones and Agnes Hunt Orthopaedic Hospital, Gobowen and the Bridgnorth, Ludlow and Whitchurch Community Hospitals.

We employ almost 6,000 staff, and hundreds of staff and students from other organisations also work in our hospitals. We benefit from around 1,000 wonderful volunteers, and our main charitable partners are the League of Friends at the Royal Shrewsbury Hospital, Friends of the Princess Royal Hospital, and the Lingen Davies Cancer Appeal which is based at the Royal Shrewsbury Hospital.

We are committed to providing the best possible diagnostic facilities and high-quality clinical care in a clean, supportive environment where patients are treated effectively with respect and dignity.

The Shrewsbury and Telford Hospital NHS Trust continues to work with our partners in health and social care in Shropshire, Telford and Wrekin and mid Wales to develop patient-focused services that meet the needs of our communities.

Plans have been given the go ahead to transform local hospital services for the half a million residents of Shropshire, Telford & Wrekin and mid Wales to make sure two vibrant hospitals and the wide range of services they provide for people locally are kept in the county. This landmark decision will result in better care for patients, secure the £312m on offer from HM Treasury and develop both hospital sites to deliver state of the art facilities in which staff will be proud to work and patients will choose to be treated.

Main Duties & Responsibilities

Clinical

- Contributing to the care of in-patients and outpatients clinics, along with theatre assistance and administrative duties associated with the care of patients. Independent operating lists will be expected with experience in post.
- To contribute to a 1 in 6 non-resident General Surgery on-call at the Princess Royal Hospital.
- To develop enhanced clinical skills, especially in the assessment and management of acutely ill patients.
- To have excellent team-working skills with the abilities and professional attitude to work well in a multi-professional team.
- To deliver clinical and quality targets agreed both nationally and locally with clinical teams and commissioners.
- To follow patients throughout their clinical pathways.

Organisational

- To work with local managers and professional colleagues in the employing Trust in the efficient running of the service.
- To be subject to the provisions of the Terms and Conditions of Service, be required to observe the Trust's agreed policies and procedures, drawn up in consultation with the profession on clinical matters and to follow the local and national employment and personnel policies and procedures.
- To participate in the Continuous Professional Development and the Trust's appraisal scheme.
- To be aware of the responsibility of all employees to maintain a safe and healthy environment for patients, visitors and staff and attend all relevant health and safety training.
- Ensure that all Trust-wide standards are maintained to improve the quality of total care to all who come into contact with services provided by Shrewsbury and Telford hospital NHS Trust.

This job description is not intended to be exhaustive. The post holder will be expected to carry out any reasonable duties requested of them, appropriate to the grade and role of the post. Duties and responsibilities may vary from time to time in light of changing circumstances and in consultation with the

Job Description

Job Title:	Specialty Doctor in Breast Surgery
Grade:	Specialty Doctor
Division:	Surgery, Anaesthetics & Cancer
Responsible to:	Divisional Medical Director
Professionally Accountable to:	Medical Director
Hours:	10PAs
Duration:	Permanent
Salary:	£55825 - £90000 [MC75]

Job Summary

The Shrewsbury and Telford Hospital NHS Trust has an exciting opportunity for a Specialty Doctor interested in a career in Breast Surgery to join a team of accomplished Surgeons to support delivery of high-quality care to our Breast Surgery patients. This is a full-time 10PA post. The department offers extensive opportunities to support consultants both in a clinic environment and in theatres, with access to complex procedures, specialist interests.

The post-holder will be based at the Princess Royal Hospital, Telford with responsibilities across both sites. The successful candidate will be expected to contribute to the 1:6 non-resident General Surgery on-call rota alongside a team of Specialty Doctors in Breast and Upper Gastrointestinal Surgery. Contribution to an out of hours on call rota is core to this role.

The Post

The Department

The Breast Surgery department consists of a small but efficient team of dedicated surgeons, doctors and specialist nurses who work within a multi-disciplinary team. The Breast Service is based at the Princess Royal Hospital in Telford where there are operating theatre provision, inpatient and daycase admitting capacity and outpatients. Outpatients are supported by a dedicated Radiology team and provision is also provided at Royal Shrewsbury Hospital for outpatients.

Breast sits within the Surgical Centre which is managed by a full time Centre Manger with Clinical Directors and Clinical Leads who have dedicated time for management duties. The trust is committed to clinical engagement and all Consultants are expected to participate in relevant management activities. Key management decisions are discussed at the Trust's Management Executive, on which the Medical Director and Clinical Directors sit.

Consultants are responsible to their Centre Clinical Director, who is supported by specialty Lead Clinicians. The Senior Medical Staff Committee and Local Negotiating Committee ensure that the views of the Consultant body are represented at all times.

The below summary provides a breakdown of the department's establishment:

Consultants

Mr T Usman	Consultant Breast Surgeon and Clinical Lead
Miss S Rastall	Consultant Oncoplastic Breast Surgery
Mr A Przyczyna	Consultant Breast Surgery
Mrs D Appleton	Consultant Oncoplastic Breast Surgery

Specialty Doctors

5WTE Breast Specialty Surgeons

Physicians

2WTE Breast Physicians

Nurse Specialists

1WTE Advanced Nurse Practitioner

7WTE Clinical Nurse Specialists

Workload & Information About the Post

The Breast service provides care for the population of Shropshire and Mid Wales which has a population in excess of approximately 550,000 patients. There are over 300 breast cancer referrals every month.

Attendance on ward rounds, operating sessions and outpatient clinics are essential parts of the post. The amount and type of operating will depend on the skills and experience of the appointee and will be decided by the Consultant. Communication with General Practitioners is an essential part of the work. This will include prompt preparation of discharge summaries, letters and correspondence and should be in line with the Breast Department and Surgical Centre standards.

The supervision of the Speciality Doctor is shared between the Consultants in the department. The work is similar to Specialist Registrars acting as an intermediary between the Consultant and the junior doctors. The post holder will primarily work with one Consultant, helping in the management of in-patient and outpatient care but this may change depending on the operational needs of the service. The successful candidate will be expected to cross-cover colleagues as per operational needs of the service. It is a requirement of employment to be prepared to work at any additional or different locations owned or served by the Trust, either on an on-going or temporary basis according to the demands of the service.

Improvement Initiatives

The service has secured West Midlands Cancer Alliance funding to deliver Breast Pain clinics in the community with the aims of providing care closer to home and appropriately directing referrals away from fast track pathways. The pilot scheme is underway and being audited to determine success.

Regional Networks

The Breast Cancer Service Team work closely with the West Midlands Cancer Alliance, and various Expert Advisory Groups. Close links have been developed with many Trusts such as Wolverhampton NHS Trust. These links are key to improving communications, development of new ways of working and training opportunities as well as reviewing/delivering best practice. The whole team are encouraged to utilise these opportunities, develop their own networks and peer groups, that in turn will support and develop individuals and the team.

Job Plan

A formal job plan will be agreed between the successful candidate and their Clinical Director/Lead and consultant colleagues, on behalf of the Medical Director within 3 months of starting in post. A full-time job plan is based on a 10 PA working week (not inc on call PAs). The job plan will be reviewed annually and is a prospective agreement that sets out the doctor's duties, responsibilities, and objectives for the coming year. It covers all aspects of a doctor's professional practice including clinical work, teaching, research, education and managerial responsibilities. It will provide a clear schedule of commitments, both internal and external and will include personal objectives, detailing links to wider service improvements and trust strategic priorities.

For a full-time contract, the job plan will be divided on average per week (pro-rata for a part time post) as:

- 9 Programmed Activities (PAs) of Direct Clinical Care (includes 1.3 PAs on call) - includes clinical activity, clinically related activity and predictable and unpredictable emergency work.
- 1 Supporting Professional Activities (SPAs) - includes CPD, audit, teaching and research.
- Out of Hours Activity – attracts 1.3 PA's, is Category A, 1:6 non resident, attracting 4% enhancement.

The allocation of PAs is reviewed and may be subject to adjustment when a further diary exercise is undertaken or if the service demands a review of the team job plan.

Any applicant who is unable, for personal reasons, to work full-time will be eligible to be considered for the post. If such a person is appointed, modification of the job content will be discussed on a personal basis with the Trust in consultation with other consultant colleagues.

General Surgery Non-Resident Rota Duties

The post-holder will be expected to provide cover at the Princess Royal Hospital site which is the non-acute site for General Surgery on a 1:6 rota basis. This involves covering general Surgical emergencies that may arise. Whilst on-call the successful candidate will be responsible for covering any Breast inpatients. There is a separate Consultant General Surgeon on-call for each site.

PRH 1:6 Rota

Week	Mon	Tue	Wed	Thu	Fri	Sat	Sun

Thursday	AM		Clinic (1 PA)	DCC	1
	PM				
Friday	AM		Clinic (1 PA)	DCC	1
	PM		SPA	SPA	1.5
Unpredictable / emergency on-call work			Oncall 1.6	DCC	1.23
Total PAs	Direct clinical care				8.73
	Supporting professional activities				1.5

This timetable is indicative only and the formal job plan will be agreed between the successful applicant and their clinical director within 3 months of starting in post.

General Conditions

Annual Leave

Doctors upon first appointment to the Specialty Doctor grade shall be entitled to annual leave at the rate of 27 days a year.

Doctors who have completed a minimum of two years' service in the Specialty Doctor grade and/or in equivalent grades or who had an entitlement to 32 days of annual leave a year or more in their immediately previous appointments shall be entitled to annual leave at the rate of 32 days per year.

Doctors who have completed a minimum of seven years' service in the Specialty Doctor grade and/or equivalent grades shall receive an additional day of annual leave and shall be entitled to annual leave at the rate of 33 days per year.

Study and Professional Leave

Study leave includes but is not restricted to participation in:

- Study, usually but not exclusively or necessarily on a course or programme
- Research
- Teaching

- Examining or taking examinations
- Visiting clinics and attending professional conferences
- Training

The appointee will be entitled to 30 days of Study Leave across a 3 year fixed period.

Research

It is usual for the Trust to be participating in many research projects at any time. Every effort would be made to accommodate a particular research interest you may have, particularly if trainee members of the department could be incorporated in the methodological and practical stages.

Audit

Great importance is placed upon audit within the Shrewsbury and Telford Hospital NHS Trust and you will be expected to contribute to this as part of your role. The Trust has a fully staffed Audit Department at both hospitals with extremely well-organised teams.

Appraisal, Revalidation and Mentorship

- The Trust has the required arrangements in place, to ensure that all Doctors have an annual appraisal with a trained appraiser and supports all Doctors going through the revalidation process.
- The Trust supports the Royal College of Physicians Guidance on provision of mentors for new Consultants, in line with GMC recommendations. This will be provided within the Trust.
- We will require you to register SaTH as your designated body via the GMC to ensure that you are set up on the Premier IT Revalidation e-Portfolio (PReP) Revalidation System. We will complete this as soon as possible upon your commencement with the Trust.
- The Trust also supports the requirements for continuing professional development and is committed to providing time and financial support for these activities.
- A formal review of the job plan will be performed at least annually. Appropriate educational and training needs will be supported by the Trust, as agreed with the LNC (for example, the approval and funding of study leave). An annual job plan review at individual and departmental level is being introduced. You will be expected to participate in this exercise.
- We will require you to register SaTH as your designated body via the GMC to ensure that you are set up on the Equiniti Revalidation System. We will complete this as soon as possible upon your commencement with the Trust.
- The Trust also supports the requirements for continuing professional development and is committed to providing time and financial support for these activities.

Accommodation

The Trust offers single residential accommodation for medical staff depending on availability. The Trust only provides single accommodation so private rental would need to be arranged for family accommodation.

Other Facilities

There is an active Doctors Mess run by the Junior Doctors Mess Committee which organise social events, parties, outings etc. There are on-site fitness centres (a membership fee is payable) available to all members of staff.

Office and Secretarial Support

The post holder will have full-time secretarial support with an adequately equipped office that will include a computer with access to Trust IT facilities.

Staff Benefits

There are a number of staff benefits schemes which attract tax reductions if joined. This includes a discount on the staff car parking charge, staff gym membership, on-site crèche/childcare provision and access to NHS Discounts schemes.

Health & Safety

As an employee of the Trust you have a responsibility to:

- Take reasonable care of your own health and safety and that of any other person who may be affected by your acts or omissions at work, and ensuring a COVID secure workplace for the team.
- Co-operate with the Trust in ensuring that Statutory Regulations, Codes of Practice, Local Policies and Departmental Health and Safety Rules are adhered to.
- To not intentionally or recklessly interfere with or misuse anything provided in the interests of health and safety.

Infection Prevention and Control

The prevention and management of acquired infection is a key priority for the Trust. Any breach of Infection Control Policies is a serious matter which may result in disciplinary action. As an employee of the Trust you have a responsibility to:

- Ensure that your work methods are compliant with the Trust's agreed policies and procedures and do not endanger other people or yourself.
- Be aware of Infection Prevention and Control Policies, Practices and Guidelines appropriate for your duties and you must follow these at all times to maintain a safe environment for patients, visitors and staff.
- Maintain an up-to-date knowledge of Infection Prevention and Control, Policies, Practices and Procedures through attendance at annual mandatory updates and ongoing continuing professional development.
- Challenge poor infection prevention and control practices of others and to report any breaches, using appropriate Trust mechanisms (e.g. incident reporting policy).

Information Governance

The Trust is committed to compliance with Information Governance standards to ensure that all information is handled legally, securely, efficiently and effectively. You are required to comply with the Trust's Information Governance policies and standards. Failure to do so may result in action being taken in accordance with the Trust's Disciplinary Procedure.

- Confidentiality and Security - Your attention is drawn to the confidential nature of information collected within the NHS. Whilst you are employed by the Trust you will come into contact with confidential information and data relating to the work of the Trust, its patients or employees. You are bound by your conditions of service to respect the confidentiality of any information you may come into contact with which identifies patients, employees or other Trust personnel, or business information of the Trust. You also have a duty to ensure that all confidential information is held securely at all times, both on and off site.
- Disclosure of Information - The unauthorised use or disclosure of information relating to the Trust's activities or affairs, the treatment of patients or the personal details of an employee, will normally be considered a serious disciplinary offence which could result in dismissal. Upon leaving the Trust's employment and at any time thereafter you must not take advantage of or disclose confidential information that you learnt in the course of your employment. Unauthorised disclosure of any of this

information may be deemed as a criminal offence. If you are found to have permitted the unauthorised disclosure of any such information, you and the Trust may face legal action.

- Information Quality and Records Management - You must ensure that all information handled by you is accurate and kept up-to-date and you must comply with the Trust's recording, monitoring, validation and improvement schemes and processes.

Professional Standards and Performance Review

As an employee of the Trust you have a responsibility to:

- Participate in statutory and mandatory training as appropriate for the post.
- Maintain consistently high personal and professional standards and act in accordance with the relevant professional code of conduct.
- Take responsibility for the maintenance and improvement of personal and professional competence and to encourage that of colleagues and subordinates.
- Participate in the Trust's appraisal processes including identifying performance standards for the post, personal objective setting and the creation of a personal development plan in line with the NHS Knowledge and Skills Framework outline for the post.

Safeguarding Children and Vulnerable Adults

We all have a personal and a professional responsibility within the Trust to identify and report abuse. This may be known, suspected, witnessed or have raised concerns. Early recognition is vital to ensuring the patient is safeguarded; other people (children and vulnerable adults) may be at risk. The Trust's procedures must be implemented, working in partnership with the relevant authorities. The Sharing of Information no matter how small is of prime importance in safeguarding children, young people and vulnerable adults.

As an employee of the Trust, you have a responsibility to ensure that:

- You are familiar with and adhere to the Trust's Safeguarding Children Procedures and Guidelines.
- You attend Safeguarding Awareness Training and undertake any additional training in relation to safeguarding relevant to your role.

Social Responsibility

The Trust is committed to behaving responsibly in the way we manage transport, procurement, our facilities, employment, skills and our engagement with the local community so that we can make a positive contribution to society. As an employee of the Trust, you have a responsibility to take measures to support our contribution and to reduce the environmental impact of our activities relating to energy and water usage, transport, and waste.

Continuous Improvement

The Shrewsbury and Telford Hospital NHS Trust is committed to creating a culture that puts Continuous Improvement at the forefront of our transformational journey and our aim is to empower colleagues at all levels have the confidence, capability, passion, and knowledge, to test changes and make improvements at SaTH and in the communities we serve.

Following a successful five-year partnership with the Virginia Mason Institute in the USA, SaTH continues to further develop and embed the Trust's approach to Continuous Improvement at all levels of the organisation. You will be supported by an Improvement Hub, which will provide the necessary expertise to support you make improvements, while also providing training at various stages of your time at SaTH, as part of your continuing professional development.

No Smoking Policy

There is a no smoking policy in operation within the Trust. Smoking within the Trust's premises or within the Trust's grounds is not permitted.

Miscellaneous

This job description is an outline of the key tasks and responsibilities of the post and is not intended to be an exhaustive list. The job may change over time to reflect the changing needs of the Trust and its services as well as the personal development.

Person Specification

<ul style="list-style-type: none"> • Works towards identifying the need for further research to strengthen the evidence base or where there are gaps in knowledge, networking with teams within and outside the organisation 	✓	
<ul style="list-style-type: none"> • Locates and uses clinical guidelines appropriately. 	✓	

Our Vision and Values

The Shrewsbury and Telford Hospital NHS Trust is an organisation that strives to provide high quality, safe care for our patients in an environment which our staff are proud to work in

Our Vision:

“To provide excellent care for the communities we serve”

Our Values:

About our Vision

We believe that by adhering to our Vision and working with our Values in mind we can behave in a way which will ensure the right results for the people that matter most – our patients and their families.

About our Values

Our Trust Values provide a guide for our daily lives which we are all expected to uphold, both at work and when we are representing the Trust.

Our Values were developed by staff and our patients, so they represent what is important to us within the organisation and the way we should all behave towards patients, carers, visitors, partners and each other.

You will see our Values throughout the Trust; they are not just words on a page, they represent what we are about here at SaTH. We want patients and their families to say that the care and service they receive from all of us is consistently high-quality, safe, effective and personalised, so the feelings behind the Values shouldn't come as a surprise to anyone working in the NHS.

The reason why it is important that they are clearly written down is so we all know what's expected, and none of us are surprised if we are asked to explain any unacceptable behaviour.
