## INFORMATION FOR CANDIDATES

## ABOUT THE TRUST

The Shrewsbury and Telford Hospital NHS Trust (SaTH) is the main provider of acute hospital services for around half a million people in Shropshire, Telford & Wrekin and mid Wales.

Encompassing some of the most picturesque parts of England and Wales, the Trust's catchment stretches from the Cambrian Mountains in the west, to Newport and the fringes of the Black Country in the east.

The main towns include: Bridgnorth, Ludlow, Market Drayton, Oswestry, Shrewsbury and Whitchurch (in Shropshire); Newport, Telford and Wellington (in Telford & Wrekin); and Newtown and Welshpool (in Powys) – all beautiful and unique.

Our main service locations are The Princess Royal Hospital (PRH) in Telford and The Royal Shrewsbury Hospital (RSH) in Shrewsbury which are located 20 minutes drive apart. Together they provide 99% of our activity. Both hospitals provide a wide range of acute hospital services including accident & emergency, outpatients, diagnostics, inpatient medical care and critical care.

We also provide services such as consultant-led outreach clinics at Telford, the Robert Jones and Agnes Hunt Orthopaedic Hospital, Gobowen and the Bridgnorth, Ludlow and Whitchurch Community Hospitals.

We employ more than 6,000 people, and hundreds of colleagues and students from other organisations also work in our hospitals. We benefit from around 1,000 wonderful volunteers, and our main charitable partners are the League of Friends at The Royal Shrewsbury Hospital, Friends of The Princess Royal Hospital, and the Lingen Davies Cancer Appeal which is based at The Royal Shrewsbury Hospital.

# OUR VISION AND VALUES

The Shrewsbury and Telford Hospital NHS Trust is an organisation that strives to provide high quality, safe care for our patients in an environment which our staff are proud to work in

## Our Vision:

“To provide excellent care for the communities we serve”

## Our Values:

## OUR VISION

We believe that by adhering to our Vision and working with our Values in mind we can behave in a way which will ensure the right results for the people that matter most – our patients and their families.

## OUR VALUES

Our Trust Values provide a guide for our daily lives which we are all expected to uphold, both at work and when we are representing the Trust.

Our Values were developed by staff and our patients, so they represent what is important to us within the organisation and the way we should all behave towards patients, carers, visitors, partners and each other.

You will see our Values throughout the Trust; they are not just words on a page, they represent what we are about here at SaTH. We want patients and their families to say that the care and service they receive from all of us is consistently high-quality, safe, effective, and personalised, so the feelings behind the Values shouldn't come as a surprise to anyone working in the NHS.

The reason why it is important that they are clearly written down is, so we all know what's expected, and none of us are surprised if we are asked to explain any unacceptable behaviour. Ultimately, if we follow our Values, we will provide services that are better for our patients and better for each other.

## JOB OVERVIEW

As a student midwife at the University of Worcester, you will spend 50% of your time in practice, completing 1,800 hours of placement across the two year and 50% of your time in theory. Upon completion you will earn a level 7 qualification.

The theoretical components of the course are led by the University of Worcester, using a blended learning model with both virtual and via face-to-face teaching at the University of Worcester. Practical placements are offered within the Trust, and you will be placed in various clinical areas to enable you to meet the NMC

practice requirements. Clinical placements will include a community midwifery, midwifery led birthing unit, antenatal and postnatal ward, labour suite and triage, antenatal clinic, and the neonatal unit. During these placements your learning will be supported by a Practice Supervisor and Practice Assessor as per the NMC 2018 Standards for Student Supervision and Assessment.

N.B. Salary support for the duration of the course is provided by Health Education England at a maximum salary of mid band 5 (AFC). Previous salary bandings will not be matched and there are no enhanced payments for unsociable hours. Successful applicants will need to be able to travel to University of Worcester for the theoretical components of the course. This expense is not reimbursed. Your annual leave is set within the course plan and cannot be altered.

The course is 24 months long and finishes at the end March 2027. Whilst completion of the programme does not automatically guarantee a permanent post, the Trust is keen to retain newly qualified midwives within the organisation.

All successful applicants will be invited to interview. You must also apply directly to the University of Worcester alongside this application. Please follow the link below and click 'how to apply' to complete your application.
